

SWISS CLUB FILM EVENING

SATURDAY 3rd FEBRUARY 2018
Augusta Estate, Hillcrest

An excellent venue, excellent food and excellent film!

Augusta Estate is such a pleasant venue with plenty of secure parking and lovely surrounds, and friendly staff. On arrival, the film screen and seating were all in place, and also the dining tables ready for those to enjoy yet another 'Markus Special' – mouth-watering Swiss style Sausage and Salad and lovely fresh rolls and butter. No-one who dined could possibly have left the table hungry – really most generous helpings which left smiles on everyone's face!

18 Members and 1 guest, thoroughly enjoyed the film which was both touching, thought provoking and extremely amusing, and certainly showed great understanding between generations and ambitions.

Much thanks to Fritz for organising the film and sound equipment and to Kurt Bacher for choosing the film. WELL DONE!

All in all, this was a lovely fun-filled and laughter-filled evening – those who could not manage to attend really missed out, and hope you will be able to join us in future Film Evenings.

Kind regards
